SUPPLEMENTAL EXTENSION OF TIME FEES

Dear Sir or Madam:

In response to the Examiner's letter (PTO mail date of 21 June 2005) in regard to the above-identified pending U.S. Patent Application, applicant hereby submits as requested, a further extension of time fee of \$1080.00 to be included with the original Extension Petition, and hereby requests that such extension be granted for the full term necessary with this submission of this fee (small entity). The purpose of the extension was to give applicant time to file a continuation application, (filed on 16 May 2005 as Appln. No. 11/130,403). Please note that an initial fee of \$510.00 for an initial extension of three months was believed correct. Should there be an overpayment, applicant requests any overage be refunded. Thank you.
